

ANDREW PATTERSON

WEB DEVELOPER

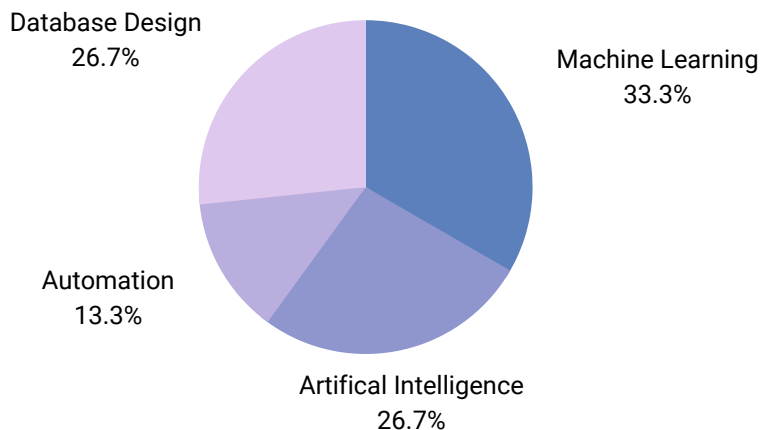

Technology is headed towards artificial intelligence. One day we will make the mistake of making sentient machines, and I would like to mitigate the damage it causes. Psychology bred an interest in cognition and the human condition. Studying people can only elucidate so much, by recreating it we can gain complete understanding.

PROFILE

Eagle Scout, 4.0 College Graduate who found his true passion in web development and coding.

- Archery
- Magic the Gathering (Card Game)
- Hiking
- Long Distance Running
